THINGS TO DO AROUND

- **BRUSSELS**

Brussels, capital of the kingdom of Belgium is also the capital of Europe.

A destination that's easy to reach, this cosmopolitan city that loves good food lives life its way and expresses itself in a style very much its own, Brussels is still inspired by a very "village-like" spirit. Of course, it's well known for its Grand-Place, its Atomium, its Manneken-Pis, its Gueuze and its Kriek, its waffles and its chocolates... (don't miss them!). Take a stroll to Rue Dansaert, Halles Saint-Géry and Place Sainte-Catherine. Head for Saint-Boniface, Châtelain or Flagey... You'll discover a Brussels that's in the spirit of the times, a capital that's relaxed and comfortable, as much in its history as in its present-day reality. Very fashionable. Very designer. Very creative. In other words, to put it in a nutshell, just relish Brussels, a fine and beautiful city to explore and discover...

- **SPA**

Situated in the green lungs of Wallonia, only a few miles from the borders with Germany and the Netherlands and often referred to as the Pearl of the Ardennes, Spa is an attractive Belgian town in a wooded valley surrounded by undulating hills and countless rivers and springs.

This highly touristic city offers a lot of possibility to go out and around among these.

- **Les “*Thermes de Spa*”**

The new spa has been newly renovated with around 8600 square feet of hot swimming pools, with water temperatures of 90 degrees. Open for visits ranging from a few hours to a full day, this spa will take you straight to a state of blissful relaxation. The water comes directly from the "Clementine" spring, and is filled with natural minerals good for cleaning the skin. Thanks to the bells of water, geysers, bubble seats, couches and other bubbling water cannons, you will be relax, unwinded and tone up.

- ***Casino of Spa***

This casino is the oldest in the world. Its building was started in 1763 by the prince-bishop of Liège.

- ***Circuit of Spa-Francorchamps***

Since the early 1920s, the Circuit of Spa-Francorchamps has resounded with a thousand and one fabulous tales of those heroic times in which they drove on earth roads at the wheel of awesome machines. Conceived by Liège aristocrats within a magic triangle between Francorchamps, Malmédy and Stavelot, its route through the magnificent scenery of the Ardennes has taken on a force of character that has stood the test of time. As motor sport has evolved, the circuit has always been kept up to FIA requirements in terms of safety over the most prestigious competitions such as Formula 1 and Endurance Sportscar Racing.

**We will also be very delighted to welcome you to the next
27th EURAPS MEETING 2016 Brussels as we will be GOLD
SPONSOR this year.**

27th **EURAPS Meeting**
2016 Brussels

27th ANNUAL MEETING

Venue: Le Plaza, Brussels - BELGIUM

Dear colleagues and friends,

It is our pleasure to announce the joint meeting of the 5th Research Council & the 27th annual European Association of Plastic Surgeons (EURAPS) to be held between 25th and 28th of May 2016 in Brussels, BELGIUM.

Both meetings will take place in the beautiful Assembly Rooms in hotel «Le Plaza». The Plaza, Paris and Hollywood... in Brussels. The hotel Le Plaza Brussels is an Art Deco palace built between 1928 and 1931 and designed by the accomplished Swiss architects Alfred Hoch and Michel Polak also known for the Residence Palace and the Villa Empain. Inspired by the George V hotel in Paris, the Hotel Le Plaza Brussels is a continual source of wonderment. Its exceptional Theatre, originally a movie theatre simply called 'Le Plaza', has a capacity of 1 300 guests. Since 1992, the entrance hall and the lobby have been part of the Belgian heritage list for its architecture and décor.

Our meeting dinner will take place at «Autoworld» (Parc du Cinquantenaire 1000 Brussels), a museum housing treasures of the history of the motor car.

It is an honour and privilege to organise a congress with a scientific program consisting of selected top quality scientific papers from all over the world.

We invite you to take part of this unique event by submitting abstracts for oral presentation. I look forward to welcome you all to Brussels in May 2016.
